Highlights

Under this Dividend Reinvestment Plan (DRP) shareholders (you) may elect to have dividends on some or all of your ordinary shares in Laserbond Limited (LaserBond) automatically reinvested in additional LaserBond shares. Full details of the DRP's operation are contained in the accompanying Terms and Conditions.

- **Tailored to meet individual needs**

The DRP allows you to tailor to your needs and circumstances the way in which you receive the benefits of dividends from your investment in LaserBond.

- **Increase your holding**

The DRP is a convenient way of increasing your holding of LaserBond shares without incurring fees.

- **No additional costs**

Shares issued or transferred to you under the DRP are free of brokerage, commission and stamp duty.

- **Shares rank equally**

Shares issued or transferred under the DRP rank equally with existing shares from the date of issue or transfer.

- **Participation is entirely optional**

You may join, vary your participation, or withdraw from the DRP at anytime, subject to adequate notice being given.

- **Treatment of residual amounts**

Where the DRP entitlement formula results in a fraction of a share, the value of that fraction will be carried forward in your DRP Account and added to your next dividend for the purposes of calculating your share entitlement.

- **Dividend statement**

A dividend statement, providing details of your participation in the DRP, any residual amount carried forward in your DRP Account, and details of any movements in your shareholding

balance, will be forwarded at the time of the dividend payment.

Questions and Answers

Q Who can participate?

A All shareholders of fully paid LaserBond ordinary shares who are resident in, or whose address on the register of shareholders is in, Australia or New Zealand may participate in the DRP, to the limit of their shareholding.

Q Is participation optional?

A Yes. The decision is entirely yours. However, if at any dividend's Record Date you have not provided your bank details for payment by direct credit, you will automatically become a Full Participant of the DRP. To receive future dividends in cash you will need to terminate the DRP participation with the Share Registry using the application form and provide your bank details. .

Q Can I participate partially in the DRP?

A Yes, by nominating a specific number of your shares, part of your dividend may be reinvested in additional shares. Your dividend entitlement on any shares not participating in the DRP will be paid by direct credit.

Q How do I participate in the DRP?

A Complete the Dividend or Distribution Reinvestment Plan (DRP) Application / Notice of Variation form located at <https://boardroomlimited.com.au/investor-forms/> under Share Registry Forms and return it to the address shown on the form. Alternatively you may make an election by becoming a Registered User of InvestorServe at <http://boardroomlimited.com.au>.

Q When will my participation begin?

A Participation will begin with the first dividend payment after receipt of your application form. The form must be received by 5.00 pm Australian Eastern Time on the record date to be effective for that dividend.

Q What happens if I have more than one shareholding?

A You will need to lodge a separate application form for each shareholding registered under different names or each shareholding bearing a different Shareholder Reference Number or Holder Identification Number.

Q Can I change my participation at any time?

A Yes. Simply notify the share registry using the application form. The application will be effective from the next dividend payment provided it is received by 5pm on the record date for the relevant dividend.

Q At what price will the shares be allotted or transferred?

A Shares will be allotted or transferred at the Market Price (as defined in the accompanying Terms and Conditions). The Market Price may be reduced by a discount which the Directors may determine from time to time and announce to the ASX. You should note that the Market Price is set after the Record Date, which is the deadline for you to lodge, withdraw or amend your application. This means you will not know the Market Price when you commit to participate in the DRP but you will know the discount, if any, to be applied.

Q What will it cost me to participate?

A There are no costs nor brokerage fees, commission or stamp duty for any shares allotted or transferred under the DRP.

Q Can I sell my shares when I choose?

A You can sell any or all of your shares at any time. Should you sell all of your shares and not give LaserBond notice of termination of your participation in the DRP, your participation will be deemed to have ceased on the date on which the last transfer is registered by LaserBond.

If you elect for 'full participation' and then sell some of your shares, the dividends on your remaining shares will continue to be reinvested under the DRP. If you elect for 'partial participation' and then sell some of your shares, the number of shares sold will be deemed to the full extent possible to be non-participating shares and the balance, if any, will be deemed to be participating shares under the DRP.

Q What about taxation?

A The Australian Taxation Office currently treats dividends reinvested under the DRP in the same way as dividends received on shares which are not participating. LaserBond takes no responsibility for the taxation consequences of shareholders participating in the DRP, and recommends you obtain professional taxation advice.

Q Can the DRP be modified, suspended or cancelled?

A LaserBond's Directors may alter, suspend or terminate the DRP at any time by notification to the ASX or, at the Directors' discretion, in accordance with the provisions regarding the giving of notice to shareholders contained in the Constitution.

Q When will I receive a dividend statement?

A After each issue or transfer of shares under the DRP, a dividend statement will be forwarded to you showing relevant information, including:

- the number of shares participating in the DRP held at the record date for the dividend;
- the amount of the latest dividend;
- the number of shares allotted or transferred under the

DRP in relation to that dividend and the price at which those shares were allotted or transferred;

- the cash balance carried forward of any residual amount remaining for a fraction of a share after determining the number of whole shares to be allotted or transferred under the DRP in relation to that dividend; and
- the new total holding of shares participating in the DRP, including shares issued or transferred to you under the DRP.

Q What happens to the carry forward balance in my DRP account if I end my participation in the DRP or sell my shares or LaserBond terminates the DRP?

A In the event of termination of participation in the DRP, any residual positive balance in your DRP account at that time will be paid out to you by direct credit.

Shares which are sold or otherwise transferred to a new owner will cease to participate in the DRP on registration of the transfer by or on behalf of LaserBond.

7. OPERATION OF THE DRP**7.1 DRP Account**

LaserBond will establish and maintain a DRP Account in respect of each Participant. For each dividend payable to a Participant LaserBond will:

- (a) Determine the amount of dividend payable to the Participant in respect of the Participant's Participating Shares and credit that amount to the Participant's DRP Account;
- (b) Determine (where applicable and practicable) the Australian withholding tax in respect of that dividend, and any other sum that LaserBond is entitled or required to retain in respect of the Participating Shares and debit that amount from the Participant's DRP Account;

- (c) Determine the maximum number of fully paid ordinary Shares in accordance with the entitlement formula outlined in clause 7.4 utilising the whole balance of the DRP Account, including the cash balance carried forward from previous dividend payments;
- (d) On behalf of the Participant subscribe for or otherwise acquire, in terms of the deemed direction described in clause 7.2 below, and allot or transfer that number of ordinary fully paid Shares calculated in accordance with clause 7.1(c) above and debit the Participant's DRP Account with the amount calculated as the Market Price multiplied by the number of allotted or transferred Shares;
- (e) Retain in the Participant's DRP Account and carry forward, without interest, any cash balance remaining to be applied in the manner set out above to be added to the next dividend unless participation in the DRP is terminated in accordance with clause 11.

7.2 Deemed Directions by Shareholder

A Shareholder who applies to participate in the DRP will, in making his or her application, be deemed to have directed LaserBond to apply such monies towards subscription for or other acquisition of the number of Shares as is determined by the application of the formula in clause 7.4.

7.3 Issue New Shares or Purchase Existing Shares

The Directors in their absolute discretion will determine, with respect to the operation of the DRP for any dividend, whether to issue new Shares or to cause the purchase and transfer of existing Shares, or to apply a combination of both options, to satisfy LaserBond's obligations under these Terms and Conditions.

If the Directors determine to cause the purchase of Shares and their transfer to Participants, the Shares may be acquired as the Directors consider appropriate.

7.4 Entitlement Formula

In respect of Participating Shares, on each Dividend Payment Date, subject to clause 7.5, the Directors will allot or cause to be transferred to each Participant that number of Shares determined by the application of the following formula:

$$\frac{(S \times D) + B}{C}$$

where:

S is the number of Participating Shares held by the Participant on the relevant Record Date;

D is the amount of the dividend per Participating Share declared by the Directors payable on that Dividend Payment Date, LESS any applicable Australian withholding tax in respect of that dividend, and any other sums that LaserBond is entitled or required to retain in respect of the Participating Shares.

B is the carry forward residual (if any) in the Participant's DRP Account from previous dividends; and

C is the Market Price.

7.5 Fractions of Shares

Where a fraction of a Share would result from the calculation of a Participant's entitlement under clause 7.4, the value of that fraction of a Share will be carried forward in the Participant's DRP Account, without interest, to be applied towards the calculation at the time of the next dividend. The amount carried forward will be detailed in the dividend statement referred to in clause 10.

The value of a fraction of a Share will be calculated in accordance with the following formula, rounded to the nearest cent:

$$F \times C$$

where:

F is the fraction of a Share resulting from the calculation in clause 7.4; and

C is the Market Price.

- (b) the aggregate amount of the dividend(s) payable to the Participant in respect of the Participant's Participating Shares;
